

BY THE

SUPREME COURT OF REMAS

ESTABLISHMENT OF THE FEDERAL DISTRICT COURT

Order No. 620-01

Notableants,
Chief Justice of the State of Remas

AN ORDER:

Article III §1.1 of the State of Remas' constitution states the Chief Justice of the Supreme Court "may establish inferior courts with power delegated from the Supreme Court". With this in mind, I, as the current head of the Remes judicial system, hereby exercise the above power in order to establish the Federal District Court of Remes. This court will be headed by a Chief Judge and will have the authority to both hear and rule on cases involving citizens of Remes. The Chief Judge, with the assistance of myself, will create a set of guidelines pertaining to criminal trials as well as civil matters before the Federal District Court is fully incorporated into our current judicial system in an effort to preserve the inalienable right to a fair trial for all.

Signed,

Notableants

Chief Justice of Remes
